Shane Siegfried Memorial Scholarship

Shane Siegfried's Memorial Scholarship is for Bayard High School Graduates. Shane was a 1990 graduate of Bayard High School. Shane's family and friends have established this scholarship to support students who reflect the generosity and school and community spirit that Shane exemplified.

M Joan Cromer Memorial Scholarship:

The Joan Cromer Memorial scholarship was established by her family as part of her final wishes. It was her strong desire to provide scholarship opportunities to help underserved youth formerly from the Head Start program pursue a college education. The M Joan Cromer Memorial Scholarship offers one scholarship of \$4,000 annually to a low-income graduating senior who attended Head Start as a child. This scholarship is available to students in Scotts Bluff County.

The Peggy Olsen Scholarship

The family of Peggy Olsen have established a scholarship in her name to recognize her years of teaching at St. Agnes School and the difference she made to so many students during that time. The scholarship will provide funds for annual tuition at St. Agnes School to be distributed among students who qualify under need guidelines set by the school. Interested applicants must apply at St. Agnes School

“

Our scholarship program is designed to benefit students in western Nebraska and eastern Wyoming. We're pleased to offer both academic and vocational scholarships that help regional students pursue their educational interests and hope that, ultimately, they will return to our communities to live and work.
