POLICY AND PROCEDURE

- A. Requests for grants will be considered for the current calendar year. OTCF will not consider recurring grant requests. Historically, it has been a policy of the OTCF Board of Directors that grants will not be awarded for payment of operating expenses, one-time programs or items short term in nature.
- B. Applications may be filed at any time, but as a rule, meetings of the Board of Directors are held bimonthly during the year. The Grants Committee will meet in March, July, and November to consider forms submitted by February 1, June 1, and October 1 of each calendar year.
- C. All grant requests are submitted by application and evaluated from the standpoint of meeting the policies and purposes of the Oregon Trail Community Foundation. The OTCF Grants Committee and/or the Board of Directors may, for any reason, request additional information of the applicant for grant of funds.
- D. All grant recipients must complete the project within a year of the date the grant is given or arrange to give progress reports if it takes longer than one year.
- E. All grant recipients must credit OTCF for support of their project in all publicity generated, at the project itself, and on all printed materials. OTCF can formulate any policy and/or condition it deems necessary on a selective grant-by-grant basis.
- F. When an application has been acted upon, the applicant will be notified as soon as possible.
- G. If a grant is approved, a plan for distribution of the proceeds will be developed and confirmed by letter. OTCF can formulate any policy and/or condition it deems necessary on a selective grant-by-grant basis to ensure that an approved project meets the OTCF Statement of Purposes.
- H. Acceptance of the grant funds from Oregon Trail Community Foundation constitutes agreement with any and all policies, procedures, and conditions.
